Directions

You can't drive straight down 2nd Ave SW from Main Street (aka 131st St) -- you need to go around to 1st Ave SW or to the new roundabout at 4th Ave SW and go south on either street.

From the corner of 1st Ave SW and Main St, you turn right onto 1st SW then left onto 2nd Ave SW. We'll be on the left, but you might find it easier to park in the city's lot on your right.

From the rotary at 4th Ave SW & Main St: you go south to 2nd St SW and turn left. 2nd St SW comes to a T at 2nd Ave SW; we're the building directly in front of you at the T. The city's parking lot will be to your left.

From the old location on Rangeline: Go north on Rangeline. Look for the new "Carmel Arts & Design District" arch over the road. Just past the arch, take a left turn onto 3rd St SW. Go two short blocks to the end of 3rd St SW. You can turn right at this corner onto 2nd Ave SW. We'll be the second building on your right, just past Design Sense.

From Meridien/US-31: Go east on 116th St (a right turn if you're coming from Indianapolis and I-465). Take a left at the first traffic light onto Pennsylvania Ave. Go north to City Center Drive and turn right. Continue on City Center through its curves to the third light, where you'll turn left onto 3rd Ave SW. Go north less than one half mile to 2nd St SW. Take a right turn onto 2nd St. 2nd St comes to a T at 2nd Ave SW; we're the building directly in front of you at this intersection. There's a city parking lot to your left.

Road closures for construction are frequent. Please feel free to call for updated information.
